Nearly Four Dozen Chihuahuas Surrendered to Great Plains SPCA

46 dogs, three cats looking for homes

Independence, MO (February 29, 2017) — An Independence resident has surrendered 46 Chihuahua mixes and three cats to our Independence campus after taking on too many pets. The animals are currently being scheduled for surgeries and will be ready for adoption in the coming days.

The animals have been housed at our independence campus for almost four weeks while they were being nursed to health and legal actions were pursued. They are all doing well considering the conditions in which they were previously kept.

25 dogs have been transferred to our Merriam location and 21 dogs remain at our Independence campus.

Interview and video opportunities will be made available throughout the day at both locations.

About Great Plains SPCA:

Great Plains SPCA is the Kansas City Metro's most comprehensive resource for pets and their human companions, serving more than 35,000 pets annually – more than any other animal welfare agency in the area. Great Plains SPCA, a No Kill shelter, works to save, protect and improve the lives of animals, while strengthening the relationship between pets and their human companions by providing humane sheltering, adoptions, and affordable spay/neuter and veterinary wellness services. Great Plains SPCA is a 501(c)(3) non-profit organization and not the ASPCA but a local organization focused on being a society for the prevention of cruelty of animals.
