Great Plains SPCA Partners with North Shore Animal League America for Tour for Life Adoption Event May 9th, 2026

Merriam, KS — [Great Plains SPCA](#) is teaming up with [North Shore Animal League America](#) for this year's Tour for Life adoption event to help more pets find loving homes during one of the slowest adoption months of the year.

Throughout the month of May, adoption fees will be reduced to just \$30 for all adult cats and large dogs at Great Plains SPCA. The goal is simple: help more pets find the fresh start they deserve while creating much-needed space for other pets waiting to enter the shelter.

"May has historically been one of the most difficult months for shelter adoptions," said Tam Singer, CEO at Great Plains SPCA. "By partnering with Tour for Life and lowering adoption fees, we hope to inspire our community to open their hearts and homes to pets who are ready for a second chance."

Every adoption not only changes the life of a pet but also allows Great Plains SPCA to help another animal in need. With shelters across the country continuing to face overcrowding challenges, community support has never been more important.

Potential adopters are encouraged to visit the shelter, meet adoptable pets, and discover the joy of welcoming a new companion into their family.

If you've been thinking about adopting, now is the perfect time to meet your new best friend.

About Tour for Life

Tour for Life is North Shore Animal League America's national mobile adoption event, partnering with shelters and rescues across the country to increase pet adoptions and raise awareness about homeless animals in need of loving homes.
